2024 Donor Report; Reporting Period: January – December 2024

✉ A Note from the Founder

Dear Friends, Partners, and Supporters,

As I reflect on the journey of 2024, my heart is filled with deep gratitude. What began as a calling born out of one life-changing encounter has grown into a movement of mercy, justice, and hope—**because of you.**

Thanks to your belief in our mission, Giving Second Chances Foundation has continued to open prison doors, restore dignity to forgotten souls, and plant seeds of opportunity in the lives of single mothers and young people across Nigeria. Each donation, prayer, message, and act of partnership has helped transform pain into purpose.

We operate in a country where the odds are often stacked against the vulnerable. But this year, we've proven that with transparency, compassion, and commitment, impact is not only possible—it's unstoppable. Together, we've given second chances to those whom society had written off.

On behalf of every life you've helped us touch in 2024, thank you. Your support is not just appreciated—it is the fuel that drives everything we do. Let's do even more in 2025.

With gratitude and hope,
Kizito Ozoemena
Founder, Giving Second Chances Foundation

Stories of Hope

Okechukwu A. – Former inmate, now an IT professional: "After my release, I had no one to turn to. **Giving Second Chance Foundation** not only paid my fine but trained me in website building and other IT courses. Today, I build websites and even teach two other young men."

Chioma N. – Single mother of two: "When I joined the Foundation's baking training, I was depressed and jobless. With their grant and support, I now run a small cake business. I can feed my children and dream again."

Partnerships that Strengthen Us

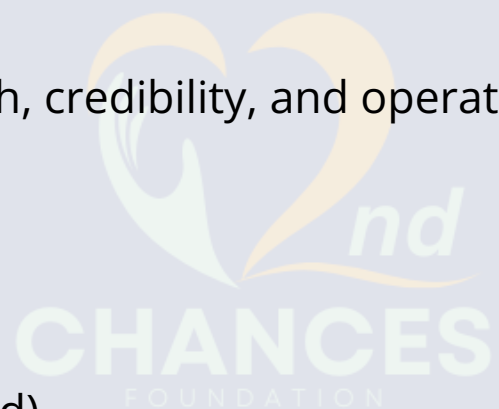

- **NTA Port Harcourt:** Provided free media coverage for two major events
- **Glam Trust Foundation:** Partnered with us on multiple prison outreach programs
- **Catholic Archdiocese of Abuja:** Facilitated access to key stakeholders and supporters

These collaborations enhanced our reach, credibility, and operational success.

Certifications & Compliance

-  SCUML Certified by EFCC
